

San Antonio

TURNER SCHOOL OF CONSTRUCTION MANAGEMENT

APPLICATIONS NOW OPEN! Apply now through Friday, April 14, 2023.

The FREE Turner School of Construction Management (TSCM) program is a vital resource for growing small and minority-owned contractors in the commercial construction industry. The program first began in 1969 as an opportunity for firms to improve their economic viability and access to contracting opportunities by learning skills to enhance their company's technical, managerial, and administrative skills. Today, it continues to do so while also strategically introducing business owners to relationships that will help them grow their business.

PROGRAM BENEFITS

- Learn skills to enhance their company's technical, managerial, and administrative expertise
- Learn how to distinguish their company above their competition when competitively bidding for subcontracts
- Meet business peers in the industry and have opportunities to exchange knowledge and best practices
- Gain visibility with key Turner team members in the local business unit
- Course Agenda includes: Safety, Project Pursuit, Contract Risk Management, Accounting, Estimating and much more!

REQUIREMENTS

To be considered for acceptance, businesses must:

- Operate as a trade or general contractor in the commercial construction industry in San Antonio
- Have been in business for a minimum of three years
- Be certified as at least one of the following: MBE, WBE, VBE, DBE, HUB, LGBTQBE, 8(a), SBE (or eligible for certification).
- Commit to attend at least seven of the eight courses

Program acceptance is limited, so APPLY NOW!

WHEN AND WHERE?

- The 8-week Program begins Thursday, April 27th and meets every Thursday through June 29th, from 4pm – 6pm
- Graduation will occur on June 29th
- Classes and graduation will be held at the UTSA Downtown Campus
