Join us for an exciting in-person event at the UTSA SBDC Center for Government Contracting on Wednesday, July 12, 2023. We cordially invite you to attend the SBDC Supplier Vendor Networking Breakfast, an invaluable opportunity to connect with influential individuals from government agencies and the contracting community.

We are delighted to announce that the University Health Systems (UHS) will be our esteemed guest speaker and event sponsor. UHS operates a program specifically designed to assist Small, Minority, Women, and Veteran Business Enterprises (SMWVBEs) in securing bid and contract opportunities. Through a comprehensive approach, their program offers training, education, outreach, and certification to support small, minority, women, and veteran-owned businesses in engaging with University Health System.
