University Health San Antonio

Two Projects.
Two Contractors.
One Location.

One networking event.

With two new projects starting under University Health, Turner Byrne SLM, Joint Venture & Layton Construction have teamed up for a joint networking event to enhance our collective subcontractor diversity outreach.

Please join us for light food & refreshments as we discuss exciting opportunities available through these projects and learn more about helping us achieve our 40% SWMBVE, 75% local participation goals.
